***** **PRESS RELEASE** *****

Friday, June 14, 2024

With the pending retirement of our longstanding County Administrator, a thorough recruitment effort was undertaken by the Board of Legislators over the past couple of months to find the most qualified replacement. Next Tuesday evening at a specially convened Board of Legislators Meeting it is the intention of the Jefferson County Board of Legislators to select a replacement. The individual being appointed will be Ryan Piche, the current County Manager of Lewis County. Terms & conditions of employment are being finalized but will be acknowledged at the time of appointment, wherein interviews with our new County Administrator and/or County Legislators will also be possible.

Thank you for your attention with this important matter.

William W. Johnson
County Board Chairman
