One-Stop Updates

We had a busy quarter getting ready for and holding Career Jam, which was an amazing success! 2430 students from 28 school districts and 5 counties attended. We also had just under 100 businesses and over 30 volunteers.

This quarter's visit to Lewis County was on June 15, 2023. One-Stop Manager Hetzner and I discussed staffing changes in both offices, as well as local businesses and our On-the-Job Training programs.

Lisa shared that their Resource Room will be closing on June 30th in preparation for the move back to Lowville. She expects to have the office up and running around July 10th.

We also discussed the Summer Youth Employment program. Both offices are knee deep into SYEP with good numbers of applications in both offices this year.
