

Resolution 20-20

Approval of Request for Proposals for One-Stop Operator

Whereas, WIOA sec 107 (g) requires that one-stop operators be competitively procured, and

Whereas, the Joint Final Rule 678.600 calls for the One-Stop Operator to be a single entity (public, private, or non-profit) or a consortium of entities, including consortium of one-stop partners. The consortium must be made up of three one-stop partners, and

Whereas, the Jefferson-Lewis WDB has developed an RFP to be issued under the direction of NYATEP for the purpose of creating a proper firewall to solicit responses to the RFP from eligible applicants, and

Whereas, NYATEP will make recommendations to the Jefferson-Lewis WDB based on responses to the RFP.

Therefore, be it resolved that the Jefferson-Lewis WDB approves NYATEP to issue and review any and all responses to the RFP, and to make recommendations to the board for the One-Stop Operator. Payment will be made to NYATEP at a cost of \$2500.00 for this service.
