Public Information Notice

Jefferson County is conducting public outreach to provide local residents with information regarding the proposed culvert replacement project located on Millens Bay Road in Jefferson County, New York, and to provide an opportunity for public input.

Public Information Summary brochures and comment sheets will be distributed by mail to affected residents within the project area. The brochures will provide an overview of the proposed improvements and anticipated construction impacts. This public outreach effort is intended to provide an opportunity for public input in accordance with the National Environmental Policy Act of 1969 and the National Historic Preservation Act of 1966.

The Public Information Summary brochure will also be available on the Jefferson County website at https://www.jeffersoncountyny.gov/departments/HighwayDepartment or electronically upon request by contacting Michael Moore, E.I.T. at mmoore@azardzn.com. Residents and interested parties are encouraged to submit questions, comments, or concerns regarding the proposed project by email or by mailing written comments to Azar Design Co, 435 New Karner Road, Albany, New York 12205. **All comments are requested by November 20, 2026.**
