

BID #2021S-1
SHERIFF UNIFORMS
DETAILED SPECIFICATIONS

The County of Jefferson, located in Watertown, NY is seeking sealed bids from qualified bidders to supply the County Sheriff's Department with uniforms and other clothing apparel as detailed in the attached specification on an as-needed basis commencing on July 1, 2021 through June 30, 2024.

The Sheriff's Department consists of approximately 124 officers as follows:

- | | |
|-----------------------|----|
| 1. Law Enforcement | 44 |
| 2. Airport | 6 |
| 3. Corrections | 74 |
| 4. Civilian (Kitchen) | 4 |

The Successful Contractor will be required to maintain a history of purchases for each individual including the quantity, description, and cost of each item of apparel purchased during each fiscal year. A detailed report of all purchases for each individual shall be submitted to the County Purchasing Department as well as the Sheriff's Department, by no later than March 1st of the following year.

Each bidder must have a minimum of three (3) years' experience in supplying government agencies with uniforms as detailed in the specifications, and is required to submit with their bid a list of three (3) references similar in size and scope to Jefferson County for whom they have provided such services. This list shall contain the name of the agency, number of Officers, Contact Person and Number.

All bid pricing shall include shipping/delivery cost to the Jefferson County Sheriff's Department.

SPECIAL CONDITIONS

Quantities

The annual quantities listed in the bid specifications are provided as estimates only and will be used solely to identify gross sum bid. The contract between Jefferson County and the Successful Contractor shall be for quantities actually ordered during the contract period on an as-needed basis.

Ordering

The Successful Contractor shall process uniform requests from Department authorized personnel only. A list of those employees who are authorized to approve or place orders will be supplied to the contractor upon award. Invoices which reflect orders placed by unauthorized personnel or include items not included in the contract award shall not be entitled to payment from the County. The Successful Contractor will supply only the items bid.

Delivery

Contractor shall deliver any ordered stock item within 30 calendar days from receipt of order. Partial orders will not be accepted unless prior authorization is provided by the Sheriff's Department. If certain items require longer delivery schedules the County and Contractor shall negotiate a satisfactory scheduled delivery. All charges for items purchased shall be consistent with those submitted in response to this bid and shall include delivery to the Jefferson County Sheriff's Department.

Samples

If requested, Vendors must provide samples at no charge, if an item being proposed is different than the specified manufacturer/model/style referenced and must be submitted for every color requested. Samples must be delivered to the Jefferson County Sheriff's Department, and shall represent style, quality, workmanship, construction, color and finish of the item being proposed. Descriptive literature of the item shall also be provided, but will not be accepted in lieu of actual samples. Jefferson County will not return samples provided by the vendor. If the vendor requests that samples be returned, it will be the responsibility of the vendor to arrange pick-up of the samples through the Jefferson County Sheriff's Department within 30 days of the bid opening date.

Quality

All items offered by the bidder must be of the highest quality consistent with the specifications herein. No factory seconds or irregulars will be accepted. It is understood and agreed that during the contract period, Jefferson County shall to remain satisfied as to the quality of all items delivered under the contract. If the County receives documented complaints from specific users as to the quality of an item being supplied by the Contractor, the County reserves the right to have said item tested for the purposes of quality assurance by an independent testing agency selected by the County.

Labels and Marking

Each article of apparel shall have a permanent label sewn in the garment bearing the name of the manufacturer, size of the article, and when specified, the name of the individual for whom it was made. Where specified, uniform shirts shall be delivered with the appropriate patches and stripes sewn on in the proper locations. Patches and stripes will be supplied by the County.

Method of Award

It is the intent of the County to award all items included in this bid to a single bidder based on the lowest overall cost of purchasing uniforms over a twelve (12) month period. The estimated annual quantities are based upon standard department practice and assume each Officer will receive replacement components as specified in their specific contract.

Measuring

All garments shall be made and fitted to the individual in accordance with the Jefferson County Sheriff's Department Standards as listed below:

1. There shall be no routine oversize charges with one exception; if an item is not normally manufactured, and it must be specially made, the cost of the item will be a direct pass-through from the manufacturer to the County. The vendor will provide the manufacturer's invoice to substantiate the additional cost, and in no event will this cost exceed \$700.00 per year. Prices shall include sizes up to and including size 4XL. The vendor must be able to fit and furnish uniform items to both male and female personnel who require special sizes at the bid price.
2. All measurements and deliveries will be at the Sheriff's Department Offices. Measurements will be taken based upon a mutually agreeable schedule. Arrangements shall be made through the office of the Sheriff, and upon award a specific individual will be designated as the contact person.

A. FITTING THE UNIFORM

Long Sleeve Shirt

1. For the Law Enforcement Officers, each long sleeve shirt must be fitted over an undershirt and ballistic vest.
2. There must be ample room around the chest and shoulders for free use of the arms without binding, with all front buttons buttoned including the collar button.
3. The button collar of the long sleeve shirt must fit smoothly around the neck with sufficient room to allow the insertion and free movement of the index finger.
4. The shoulder/arm seam must reach the point of the outer edge of the shoulder joint.
5. The button cuff of the long sleeve shirt must fit so that the bottom of the cuff edge covers the wrist band to a point two inches above the second joint from the end of the thumb.
6. The shirt tails must be of sufficient length so that routine activity will not cause them to pull out. Normal activity includes sitting down, getting in and out of a vehicle, or directing traffic.

Short Sleeve Shirt

1. For the Law Enforcement Officers, the short sleeve shirt must be fitted over an under shirt and ballistic vest.
2. There must be ample room around the chest and shoulders to permit free use of the arms without binding with all front buttons buttoned except the collar button.
3. The shirt will be fitted with the top or collar button unbuttoned.
4. The shoulder/arm seam must reach the point of the outer edge of the shoulder joint.
5. With the arms at the sides, the bottom edge of the sleeve hem must not extend below the elbow, yet, must be of ample length so as to adequately cover the undershirt sleeve.
6. The shirt tails must be of sufficient length so that routine activity will not cause them to pull out. Normal activity includes sitting down, getting in and out of a vehicle, or directing traffic.

Trousers

1. Trousers will be fitted while wearing undergarments, uniform shirt, and the type of shoe or boot that will be worn with the pants.
2. The trousers must be of sufficient looseness around the hip and buttocks to avoid gaping of the pockets and visible horizontal wrinkles in the front near the pelvis.
3. The fly of the trousers must hang in a vertical line without gaping when unzipped.
4. The rise of the trousers shall allow 2" to 1" looseness.

5. The trousers shall be of sufficient length at the back of the leg to reach 1/4" to 1/2" above the welt of the desired shoe or boot.
6. When the legs of the trousers have been hemmed, they must hang straight from the seat so that the fronts rest on top of the footwear with a slight break in the lower front crease. The trouser fronts must finish approximately 3/4" shorter than the back lengths. The trouser hem shall have a 2" to 3" turn-up.
7. The bottom of the trousers shall be tapered from the knee to the bottom of the hem. At the bottom of the hem the width will be 19" to 20" for those trousers waist sizes 38" and above; and 18" to 19" for waist size 38" and below.
8. The waist shall be snug enough so that no gathering or folding is caused when wearing the duty belt; however it shall not be so snug that two fingers cannot be inserted in the waistband and moved side-to-side or horizontal wrinkles form across the rear of the trousers below the waist band.

Three Season Jacket

1. The jacket is measured in chest sizes. It shall be fitted with the liner in, and while wearing the uniform shirt, ballistic vest, sweater (optional) and duty belt.

B. TAILORING/REPAIRS

Due to County personnel changes, the Vendor must have necessary personnel available for fitting new or additional individuals. Garments shall be tailored to fit each individual as designated by the Department. Said garments shall be fabricated, delivered, and custom fitted to each individual by the vendor or his representative. If corrections to the garments are then necessary, the Vendor shall correct the fittings as required. Items returned for tailoring or altering shall be completed within fourteen (14) business days at no charge. NOTE: It is the responsibility of the Sheriff's Department to return items that are in need of corrections within fourteen (14) days of receipt of merchandise. The Contractor must provide minor repairs to new uniforms (up to one year from the date of purchase) at no extra charge to the County. Minor repairs will include but will not be limited to: sewing of the seams, repair of small rips, repair and or replacement of buttons, zippers, and belt loops, re-sewing of creases and minor alterations. The Contractor may be required when needed to add Sergeant stripes which will be provided by the County.

C. PACKAGING

1. Shirts are to be poly-bagged individually, and include the name of the individual.

D. SUBSTITUTIONS

1. No substitutions will be allowed without prior authorization from the Sheriff's Department as well as the Jefferson County Purchasing Department who will deem the substituted item an approved equal.

CONTACT PERSON

Please direct all inquiries regarding this solicitation to the Jefferson County Purchasing Department at 195 Arsenal Street, Watertown, NY 13601. Telephone Number (315) 785-3077.

Warp and Filling - Filling: 150			
Tearing Strength (1 lbs) - Warp: 7.5 (+/- .5)			5134

Warp and Filling - Filling: 5.5 (+/- .5)	
Abrasion Resistance - 1000 cycles: (11-18 500 Grams)	5306
Hydrostatic Resistance - 100 PSI: (Original)	5512
Hydrostatic Resistance - 65 – PSI (After 3 washes)	5512
2 Inch Adhesion (lbs.) 22	5970

INTERLINING

Type: 100% Cotton Osnaburg
Color: Natural or White
Weight: 2.34 yds/lbs.
Count: Warp 36 lbs., fill 32
Break Strength: Warp 68 lbs, fill 50 lbs
Max Shrinkage: Warp 1.5%, fill 1.0%

POCKETING

Type: Pocketing, 2 x 1 twill, 100% polyester (fill), polyester/rayon (warp)
Color: Black

THREAD

Single needle sewing shall use polyester core, cotton or rayon wrapped, size #50. Double needle sewing shall use 100% spun polyester thread, size #70 in the needles, size #100 in the loopers.

SEAMS

Sleeve seams, sleeve setting seams and body joining seams shall be 3/16" gauge, double needle, chain stitch, lap seam felled construction, all other seams to be single needle construction. Seams shall be free from puckering, pleats, runoffs and raw edges.

SEAM WATERPROOFING

Seam tape shall be transparent, compatible with the coating compound and assume all the characteristics of the coating compound after application. The tape shall be applied by ultrasonic or hot air methods. The tape shall not be affected by weather, temperature or storage. The taped seams shall be tested for waterproofing in accordance with Federal Test Standard #191, Method #5514. There shall be no appearance of water in the test area when the hydrostatic head is raised to 50 centimeters for a period of 3 minutes.

ZIPPER

The zipper shall be a 26 inch brass, size #5, reversible, and one way slider.

SNAPS

Shall be non-rusting, 24 ligne, nickel on brass, heavy duty closure.

BADGE PLATE

A reinforced badge plate, 1 inches in width by 3 inches in height shall be placed on the left breast and shall contain 2 metal eyelets, vertically spaced 1-11/16 inches apart.

STORM FLAP

The storm flap shall be sewn to the orange side only of the garments, turned and top stitched, with the seams waterproofed on the reverse side.

STYLE AND CONSTRUCTION

The raincoat shall be a waterproof, reversible, fully cut, well balanced set in two piece sleeve design with epaulets (black side only), two slash cut through pockets, collar stand, and storm fly. The epaulets shall measure 2-3/4 inches wide at the shoulder tapering to 2-1/4 inches wide at the collar. The collar to finish with points approximately 3 inches long, measuring 2-3/4 inches in width at center back. There shall be 5 snap fasteners, spaced 8 inches apart. Bottom snap shall be approximately 11 inches from the bottom of the coat. Storm flap will have 4 snap fasteners and a reversible 26 inch zipper closure. Three metal eyelets shall be placed vertically on the side seam under each arm, and on each side of the coat, with the top eyelet 3/4 inch apart. The storm fly, collar and collar stand shall be fully interlined. The slash pockets shall be diagonally placed, the welts measuring approximately 1-1/2 inches long. The depth of pocket shall be approximately 14 inches. The pocket opening shall be 11 inches to permit easy access to trouser pockets or revolver. Both sides of the collar and collar stand shall be cut from the back fabric.

EMBLEM & SCOTCHLITE

Agency emblems will be sewn by the manufacturer where applicable. Scotchlite shall be sewn to the orange side and shall be 1 inch wide. There shall be a strip of Scotchlite sewn two inches down from the armholes across the back and both fronts. The bottom of each sleeve shall get a piece sewn along the perimeter. The storm flap shall have a vertical piece set along its length.

LIMITED WARRANTY

The sample and contract garments shall carry a manufacturer's printed warranty hang tag. The tag shall instruct the owner of their rights under the warranty. The limited warranty shall contain at minimum the following:

Warranty Coverage: Manufacturer agrees to warrant to the original purchaser that the product will be free from defects in materials and workmanship for a period of three (3) years from date of purchase.

Warranty Service: Should a covered product become defective during the warranty period, simply return it to the manufacturer with dated proof of purchase. The manufacturer agrees to repair or replace at its option any item determined to be defective and will return to purchaser at no charge.

Limitations: This warranty does not cover abnormal wear and tear, nor the color fastness of fluorescent fabrics, nor damage from chemicals, fire, misuse, accident or negligence. This warranty only applies to the original purchaser of the covered product and is not transferable.

Stenciling: All raincoats must be stenciled on back in black paint as follows: SHERIFF (on orange side only)

Packaging: All raincoats to have a name ticket sewn to the inside pocket which bears name of deputy for whom raincoat is intended.

BID PROPOSAL CERTIFICATIONS

Firm Name: _____

Business Address: _____

Telephone Number: _____ Fax Number: _____

Email: _____ Federal ID Number: _____

I. General Bid Certification

The bidder certifies that he will furnish, at the prices herein quoted, the materials, equipment, and/or services as proposed on this bid.

Any deviation to specifications is fully explained and attached. By signing and submitting this bid for consideration to the County of Jefferson, the vendor acknowledges that they have read, understand, and agree to the specifications as presented without reservation or alteration.

Deviations: Yes _____ No _____

II. Non-Collusive Bidding Certification

By submission of this bid proposal, the bidder certifies that he is complying with Section 103-d of the General Municipal Law as follows:

Statement of non-collusion in bids and proposals to political subdivision of the state. Every bid or proposal hereafter made to a political subdivision of the state or any public department, agency or official thereof where competitive bidding is required by statute, rule, regulation, or local law, for work or services performed or to be performed or goods sold or to be sold, shall contain the following statement subscribed by the bidder and affirmed by such bidder as true under the penalties of perjury: Non-collusive bidding certification.

A. By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief:

(1) The prices in this bid have been arrived at independently without collusion, consultation, communication or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor.

(2) Unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the bidder and will not knowingly be disclosed by the bidder prior to opening, directly or indirectly, to any other bidder or to any competitor; and

(3) No attempt has been made or will be made by the bidder to induce any other person, partnership or corporation to submit or not submit a bid for the purpose of restricting competition.

B. A bid shall not be considered for award nor shall any award be made where A. (1)(2) and (3) above have not been complied with; provided, however, that if in any case the bidder shall so state and shall furnish with the bid a signed statement which set forth in detail the reasons therefore. Where A.(1)(2) and (3) above have not been complied with, the bid shall not be considered for award nor shall any award be made unless the head of the purchasing unit of the political subdivision, public department, agency or official thereof to which the bid is made, or his designee, determines that such disclosure was not made for the purpose of restricting competition.

(1) The fact that a bidder (a) has published price lists, rates, or tariffs covering items being procured, (b) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (c) has sold the same items to other customers at the same prices being bid, does not constitute, without more, a disclosure within the meaning subparagraph one (a).

NON-BIDDER'S RESPONSE

For purposes of maintaining accurate Bidder's lists and facilitating your firm's response to our invitation for bid, the County of Jefferson is interested in ascertaining reasons for prospective Bidder's failure to respond to invitations for bids. If your firm is not responding to this bid, please indicate the reason(s) by checking any appropriate item(s) below and returning this form to the Jefferson County Purchasing Director, 195 Arsenal Street, Watertown, New York 13601. This form may be returned by mail or fax. Faxes may be sent to 315-785-7591. Failure to submit either a bid proposal or return this form will result in removal of your firm's name from our Bidder's lists. Thank you for your cooperation.

We are not responding to this invitation for bid for the following reason(s)

- ☐ Items or materials requested not manufactured by us or not available to our company.
- ☐ Our items or materials do not meet specifications.
- ☐ Specifications not clearly understood or applicable (too vague, too rigid, etc.)
- ☐ Quantities too small.
- ☐ Insufficient time allowed for preparation of bid.
- ☐ Incorrect address used. Correct mailing address is:

- ☐ Our branch/division handles this type of bid.
Correct name and mailing address is:

- ☐ We are unable to bid at this time but would like to continue to receive invitations for bids.
- ☐ We are unable to bid and wish to be removed from the Bidder's list.

Attachment
Certification Pursuant to Section 103-g
of the New York State
General Municipal Law

- A. By submission of this bid, each Bidder and each person signing on behalf of any Bidder certifies, and in the case of a joint bid, each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each Bidder is not on the list created pursuant to paragraph (b) of subdivision 3 of Section 165-a of the New York State Finance Law.
- B. A Bid shall not be considered for award, nor shall any award be made where the condition set forth in Paragraph A above has not been complied with; provided, however, that in any case the Bidder cannot make the foregoing certification set forth in Paragraph A above, the Bidder shall so state and shall furnish with the bid a signed statement which sets forth in detail the reasons therefore. Where Paragraph A above cannot be complied with, the Purchasing Unit to the political subdivision, public department, agency or official thereof to whom the bid is made, or his designee, may award a bid, on a case by case basis under the following circumstances:
1. The investment activities in Iran were made before April 12, 2012, the investment activities in Iran have not been expanded or renewed after April 12, 2012, and the Bidder has adopted, publicized and is implementing a formal plan to cease the investment activities in Iran and to refrain from engaging in any new investments in Iran; or
 2. The political subdivision makes a determination that the goods or services are necessary for the political subdivision to perform its functions and that, absent such an exemption, the political subdivision would be unable to obtain the goods and services for which the contract is offered. Such a determination shall be made in writing and shall be a public document.
